Park Directors Update

- Memorial Park Update – Once we received our welcome packet from the State, we have been busy processing paperwork to meet the needs of the grant. We have ordered the pavilion and the Board chose the color of the metal roof of EVERGREEN tonight. The playground was reviewed by the Board via email and the final design was approved and will be ordered May 1. The bid package is being prepared by CKS Engineers and the goal is get the bid listed by late April/early May so that construction can start in the summer.
- Movies in the Parks update – DS informed the Board that we lost one of our sponsors from last year so we are seeking a new sponsor to replace them. We will still be able to run the series if we don't find a replacement but we may have to do away with some of the small things that we have done in the past. The movies have been selected. June 23 – *Despicable Me 3*; July 21 – *Coco*; August 4 – *Cars 3*.
